

Form for the Polish institutions looking for partners in the *Interreg Europe* programme covering UE-28, Norway, Switzerland

IMPORTANT Application package for the 4th is available at the programme website (www.interregeurope.eu).
Please check the terms of the call.

Please note:

- The Form is a tool for the Polish institutions only; it has been developed by the **National Point of Contact** in Poland - Ministry of Investment and Economic Development, Territorial Cooperation Department, Transnational and Interregional Cooperation Unit in Katowice (NCP).
- Partner search tool prepared by the Joint Secretariat – **Search for partners and ideas** – is available to institutions from all programme countries at the programme website: www.interregeurope.eu. **We recommend you to benefit from it as well.**
- By sending the Form, you agree to sharing your personal data with cooperating institutions from countries covered by Interreg Europe. The Polish Ministry of Investment and of Economic Development does not process the data and bears no responsibility for the use of the information passed to other programme bodies.
- The topic of interest must be in line with the programme priorities and specific objectives, otherwise the Form is not valid. The NCP will distribute only the properly filled-in forms.**
- In case of questions on the programme you may contact the NCP (Anna Stol, tel. 32 253 90 08). Supporting documents and information in Polish: www.ewt.gov.pl

Please send the Form to the NCP: IE@mr.gov.pl
